DEDICATION

Miss Lopp has been a member of Chandler High School faculty since 1944. During this time she has faithfully discharged her duties, adding much to our school and community. She was a foreign exchange tecaher to England two years ago. In appreciation for her kindness and devotion to the students and faculty of Chandler High School, we proudly dedicate this, The 1961 El Lobo, to Miss Lopp.

SCHOOL BOARD
Standing left to right: William E. Wilson, clerk; Richard C. Carpenter, Assistant Superintendent; W. G. Austin, Superintendent. Sitting left to right: Gene Patterson, President; Hugh Arnold; Dr. Clifford Goodman, Jack Bogle.

Our School Board is a group of business men who take time from their busy schedules to work with the school administration in providing the students of Chandler with the best possible educational program available.

TO THE STUDENTS OF CHANDLER HIGH SCHOOL

"If, in your high school and college education, you acquire a minimum of fundamental knowledge and skills; skill in handling source materials; ability to think and act in the presence of unprecedented situations; and an ethical attitude toward the use of your knowledge and skill, you have acquired the basic education necessary for a fair start in life."

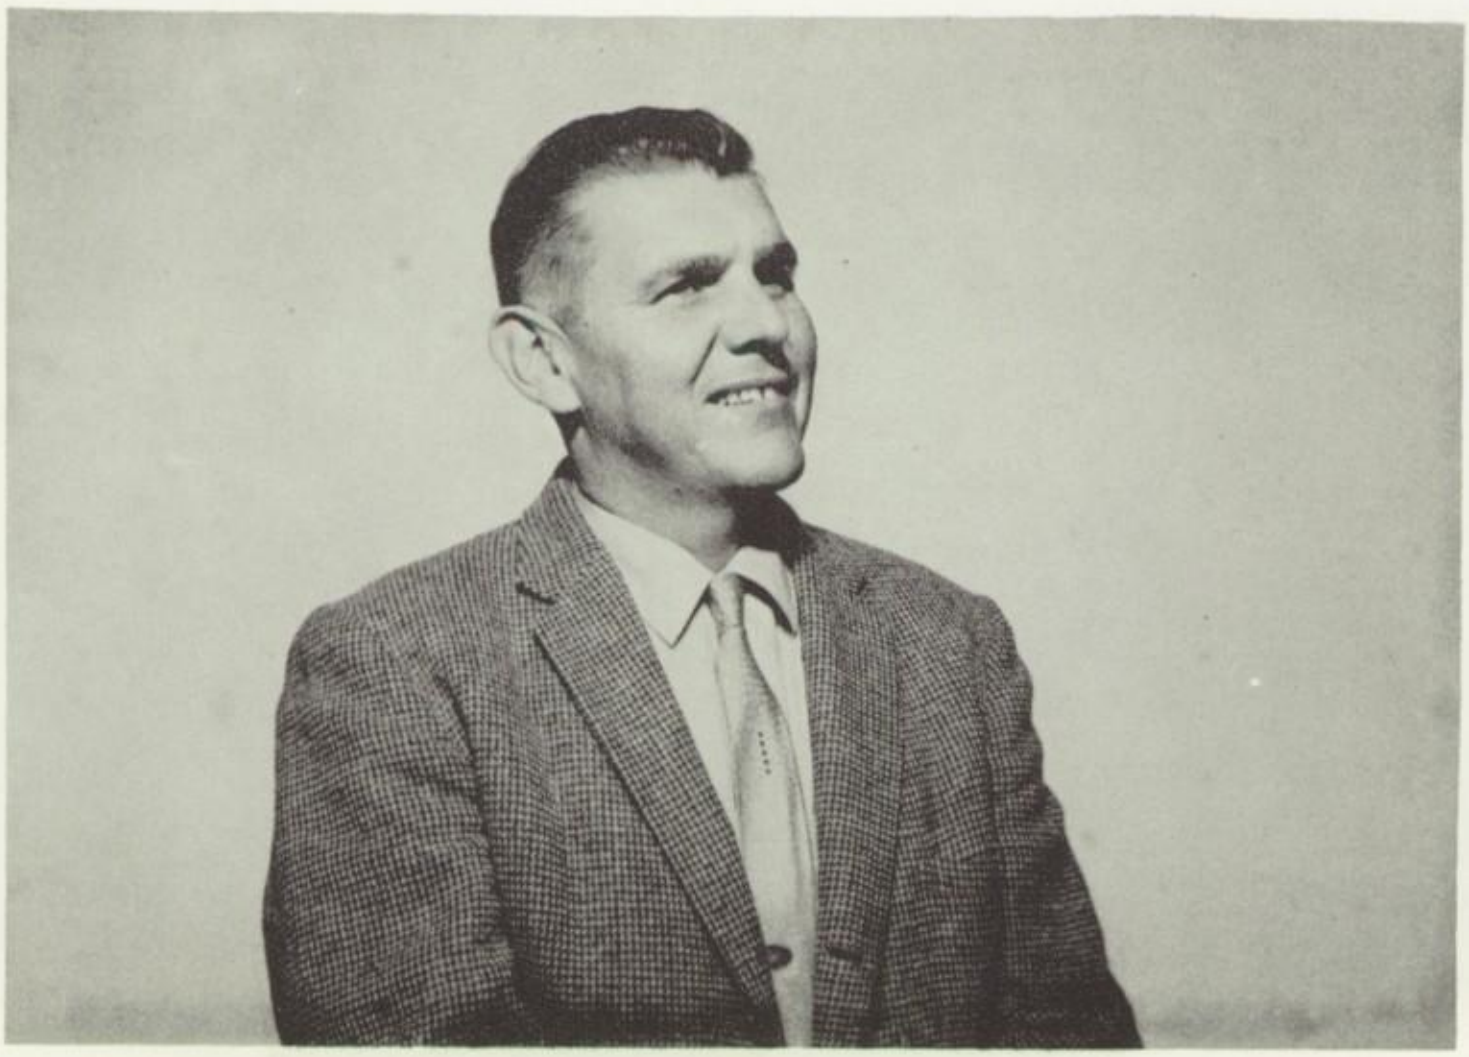
W. G. Austin

Superintendent

TO THE STUDENTS OF CHANDLER HIGH SCHOOL

Arizona's rugged mountains, serene valleys and foreboding deserts have given unmeasured wealth to the state and nation. But Arizona has only begun to give of herself. That which she has produced, while impressive, is only the beginning. Arizona is challenging her youth today by demanding minds and talents to solve her problems. Those minds, educated to creative thinking and working in conjunction with trained talents, will rise to meet this challenge and collect Arizona's rich reward. Many of you in Chandler High School today will aid in the fulfillment of this destiny; some of you will share in its reward.

Richard C. Carpenter
Assistant Superintendent



TO THE STUDENTS OF CHANDLER HIGH SCHOOL

Historically, the American public school is a product of generations of men and women who have believed that democracy can survive only through education for all youth and who have given the funds, and often the actual labor, skill and materials to make this goal a reality. Legally the authority and services of the school stem from the will of the people as evidenced by the framework of state laws which govern their operation.

The students in our high school of today are reminded that they will represent the will of the people in the next generation. Chandler High School has been fortunate to have an interested and understanding community. Their example is commended to the community of the future.

Sincerely,

H. L. White, Principal

AUTOGRAPHS

Jane Darling,

You are the one person I will never forget. It has been wonderful having you over and I would never trade. I am looking forward to coming to your graduation. Remain as fair, sweet, and beautifull as you are now and may we be only the best of friends for the next two years.

Love you,
Gregg

Dear Reader,

Surpricingly enough an annual doesn't just happen. Much time and effort on the part of many people has made the El Lobo possible. I would like to take this opportunity to express my appreciation to.

The faculty who have been patient and understanding regarding class interruptions.

Mr. White who has given the staff encouragement and support throughout the year.

The Arizonan and employees and especially Vernon Waddell, who have gone out of their way to help us meet our deadlines and get the yearbook out.

Miss Kenedy, our sponser, who has done more than her part in helping to get the yearbook completed.

Mr. Carpenter, our local photographer, for the excellent senior, band, and choir pictures.

Terry Cornett, our business manager, who has done a very efficient job.

Milton Eidson and Margret Jefft who have done a commendable job with the art work.

Mike Shanklin, Don Fisher, Larry Long, Sandy Shultz and numerous art class members who worked together to produce the pictures for the El Lobo.

Julie Southard, Ann Johnson, Sue McIntire, and Carolyn Ruiz who have done a remarkable job in selling advertizements.

El Lobo staff for their cosperation, help, and tolerance of my bad temper, hair pulling and screaming. (What would I have done without you ?!!)

You as a reader for buying this year's El Lobo. I hope you enjoy it as much as I have enjoyed being the editor of it this year.

Sincerely,

Nancy Lind, Editor

IN MEMORIAM

"Come unto me, all ye that labour and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls. For my yoke is easy, and my burden is light.

St. Matthew 12: 28-29-30
